EXPERIENCE

Dementia Connection®
CEO & Founder, 1999-Present

International/national dementia education/consultation firm offering expertise and seminars for international/national/state professional meetings and senior communities serving elders. Served on 25 advisory boards to plan dementia management strategies; including the national **Alzheimer's Associations' Best Clinical Practice Guidelines Working Group**; currently developing evidence-based and practical consensus guidelines to primary care and specialty clinicians regarding clinical evaluation of Alzheimer's Disease in the United States. Member of **Gerontological Society of America's Dementia-Related Psychosis Workgroup and Agitation in Alzheimer's Disease Project**. Served on speakers bureaus or as advisory board member since 2000 for all pharmaceutical companies with FDA-approved medications for Alzheimer's and Parkinson's psychosis. LTC dementia consultant advising PCPs and medical directors for 20 years. Regional LTC and memory unit telehealth services for dementia behaviors.

University of Scranton Department of Nursing, Scranton Pennsylvania
Adjunct Faculty 2019-2022 **Faculty Specialist** 2014-2017 (FT)

Clinical instructor for senior community health home care rotation and junior psychiatric nursing. Taught didactic course: *Nursing the Older Adult*. Taught didactic gerontological lectures to graduate family nurse practitioner students and undergraduate students. Offered two honors tutorials: *Differentiating Dementias* and *Alzheimer's and Prevention*.
